**As General Manager, Francis does not receive funds from the holiday collection.

Dear Luma Residents,

As the holiday season approaches, this is a wonderful opportunity to show our collective appreciation for the dedication and hard work of the Luma staff throughout the year. Many of you show your appreciation throughout the year for the services our staff members provide, but this is the opportunity for everyone to say “thank you.”

Participation in the Holiday Fund is strictly voluntary, and contributions of any amount are welcome. Donor names and contributions will remain confidential. If you’d like to donate with a check, please make it payable to Luma HOA. Alternatively, homeowners can charge their contribution to their HOA account by sending an email to Taylor Jones at tjones@actionlife.com with the desired amount.

Please note that the General Manager will not be included as a recipient of the Holiday Fund. The proceeds will be distributed to all eligible staff members based on their length of employment.

Of course, you are also welcome to express your gratitude to staff members individually if you prefer.

Wishing everyone a joyful holiday season!

~
